Today's Programme

A warm welcome to players, coaches, officials and spectators for today's highly anticipated Super Saturday, including a match under the lights at the Lindum Sports Association.

Both should be excellent games, with the Ladies 1s seeking to build on their superb last performance in a 5-1 home victory over City of York.

The Men's 1s look to continue their 100% winning streak for the season, against a Chesterfield side new to North Hockey. They have notched 28 goals in their 4 opening games, with Ben Read leading the way on 8.

Let's hope for more goals galore!

Today's programme is hopefully the first of many for the rest of the season. Whilst we will endeavour to provide hard copies at the clubhouse, all programmes will be made available on our website at lindumhockey.co.uk in advance of matchdays.
